Agrow

Espesyalistang Tagagawa ng Nutrient Feeder · Fertigation Unit · Integrated Climate Controller

Itinatag 1995 · Wonju, Gangwon · Nag-e-export sa 17 bansa

Agrow Nutrient Feeder

Ang Hangaram Agricultural Development ay espesyalistang tagagawa ng kagamitang pang-agrikultura: Agrow soil fertigation unit, nutrient feeder, at A⁺-Green integrated climate controller. Patuloy kaming nagsasaliksik mula pa noong 1995 at nag-e-export na ngayon sa 17 bansa. Inilalabas lamang ang bawat produkto matapos masubukan sa mga totoong sakahan.

Agrow-7000 Plus

HPA-7000 PLUS

5 independent na programa · 6 na nutrient solution (A~F)

- **10.2" touchscreen**, remote control gamit ang PC at smartphone, 10 channel
- 3 programa para sa solar radiation / 2 para sa moisture at external sensor
- **Compound proportional control**: supply bawat sangkap na may 10~90% na deviation
- Raw-water flush bawat balbula pagkatapos ng patubig, delay time bawat balbula
- Pag-alis ng laman ng mixing tank at muling paghahanda ng solusyon kapag nagpalit ng pananim
- 16 irrigation zone, tig-2 standard na EC·pH sensor (control + monitoring)

Agrow-6000 Plus

HPA-6000 PLUS

4 na independent na programa · 4 na nutrient solution (A~D)

- **10.2" touchscreen**, remote control gamit ang PC at smartphone, 10 channel
- 3 programa para sa solar radiation / 1 para sa substrate moisture at external sensor
- **Substrate moisture control**, display ng temperatura ng substrate, weight control
- Raw-water flush bawat balbula pagkatapos ng patubig
- 1-taong imbakan at pagtingin sa average EC·pH ng 16 na balbula
- 16 irrigation zone, tig-1 standard na EC·pH sensor

Linya ng Produkto ng Agrow

Modelo	Model No.	Uri	Pangunahing Katangian
Agrow-5000 Master	HPA-5002	Nutrient feeder	7" touchscreen, 3 independent na programa, 12 irrigation zone, tuloy-tuloy na paghahalo
Agrow-5000 Magic	HPA-5001	Nutrient feeder	7" touchscreen, 3 programa, cumulative solar radiation control, 12 irrigation zone
Agrow-2000 Star Type A	HPA-2005A	Fertigation unit	Direktang supply, independent na EC control sa 12 zone, 7" touchscreen
Agrow-2000 Star Type B	HPA-2005B	Fertigation unit	Mixed supply, built-in na raw-water supply bago/pagkatapos ng patubig
A⁺-Green	HPAG-8001	Integrated climate controller	Integrated climate control ng greenhouse, nakakonekta sa mga nutrient feeder, koneksyon sa mobile at PC

Opisyal na Pagsubok · Korea Agricultural Technology Promotion Agency (KOAT)
